extra time

letting people win an argument on purpose is good
for you inner peace

not prioritizing your task

prioritizing your task

That's easy I will do it tomorrow!

@tanosei

You'll get it more done

when you learn to say "NO"

nurture this

not this

a pile of tasks
just because you don't know
how to say "NO"

a peaceful "NO"

the right way to take a break

is not by doing this

but by doing this

multiple tasks

single task

This is what you want to avoid

But that is what makes you grow
